About CW4K University & The Canned Water Stand

The CW4K University Canned Water Stand Program is an opportunity for me to learn and experience the basics of business, entrepreneurship, sales & marketing (selling CW4K water), the importance of value creation, and why it is critical to “pay it forward.” In this program, I am also learning about drinking water, drinking water issues, and how water quality impacts my life and the lives of those around me.

Program overview

Coursework covers four areas. Each is designed to provide me basic insights & skills. Modules include:

- Drinking Water 101
- Business 101
- CW4K Canned Water Stand
- Pay it Forward 101
